

# GUIDING LIGHT

LOVING KINDNESS QUARTERLY UPDATE

592 S Main St Lima, Ohio

*Hello friends and supporters!*

Spring has approached us, and we have a lot of new things going on around here!

- As some of you know, we have added another home to our program! This is exciting for us, and for a community in need. We are ready to broaden our services, and would love for anyone interested to get involved. **See page two for information about the Grand Opening of Resting Place Residential & Life Coaching Center.**
- Testimonial Lunches: We are excited about getting the community familiar with us and our services, and would love the opportunity to come speak at your church, business, or group! We have several young ladies who are willing to share their story with others about their struggle, and ultimately their stay at Guiding Light. They have some awesome testimonies that reinforce the idea that our program works! Please take advantage of this opportunity to be informed about us, and to give these girls a platform to tell their success stories. **To schedule a Testimonial Lunch contact: Julianne Frankhouser 419-236-7935**
- Resident Sponsorship: If you or your church, business, or group would like to make a difference in the community, consider sponsoring a resident at Guiding Light! A monetary gift of \$50 a week will cover costs for housing, transportation, food, clothing items, etc. for one young lady in need of our residential services. **To sponsor a resident at Guiding Light contact: Julianne Frankhouser 419-236-7935**

*God surely does listen  
He certainly does hear  
Ask Him into your heart  
And He will always be near*

*God loves each one of us  
He showed us that He cares  
By sending Christ to die for us  
That's a love we should all share*

*The Lord is my rock  
The Lord is my salvation  
He keeps me on the good path  
He helps me through temptation*

## THE BIG QUESTION:

**WHO DO WE SERVE AT GUIDING LIGHT?**

Guiding Light is a licensed maternity home. However, we are committed to serving young ladies in various situations, and they are NOT required to be pregnant in order to receive our services. We have broadened our outreach, and the upcoming opening of Resting Place will help us continue to serve more young ladies in our area. We do consider all referrals. Thank you!

## MEET MEGAN

Before I came to Guiding Light, I was "broken". Things that happened in my life that made me desperate, caused me to reach out. God sent me to Guiding Light where I started believing in myself and started getting hope back. Many things happened for me. I developed a support system, my self esteem increased, and I could see beyond my circumstances. There are so many things that worked in my favor, I can not begin to tell you. I got saved and baptized. I now have almost full time work, I'm about to get an apartment, I'm in GED classes and parenting classes. I look forward to embracing my future with my children and see what God has in store for us. I have gone from poverty to prosperity and realize that God is with me. "Treat others the way you want them to treat you."

Luke 6:31

We can only give credit to God for the existence of Guiding Light Ministries. It is by His grace we continue on. You see, in 2009 God asked Guiding Light to save babies and young women, to give them guidance and speak LIFE into them. He has since asked us to "multiply". We will be opening the doors to the "Resting Place" very soon. It will continue to provide support to "broken women" in unforeseen circumstances. This will include teen girls. How you might ask? By FAITH! Consider the story of Peter walking on the water. He did this without hesitation because he kept his eyes on Jesus. He did not concern himself with the impossible task or those who doubted in his ability to do so, he just listened and obeyed. We trust and follow His lead as well. Who knows what is next..... but one thing is for certain, something BIG is BREWING! Nothing is IMPOSSIBLE WITH GOD!!
