## JUANITA'S STORY

Hello, my name is Juanita and I have been on such a journey these last few months where I have seen God and people come together to change my life. I had been living in Detroit, MI, homeless, pregnant and struggling to stay off of drugs. Me and my fiancé were losing hope. I decided to take a leap of faith and move to Ohio to find opportunity for me and my unborn son. I was referred to Guiding Light by Becky at the Health Department. She got me connected with Dr Scherger for my OB care and found a place for me to live at Guiding Light. I learned so much there and it became not only a place of learning, but a place of support. I was able to get connected to community resources and get established. My fiancé was still struggling in Detroit and was also desperate for help. So, All the agencies pulled together a team of people to get him here before our child was born. He was able to get to The Mission because Tammy, my housemother at Guiding Light, took me to Detroit to find him. He had a place at The Mission waiting for him. His caseworker was a man named John. Since then we have had a baby shower and were able to get the items needed for when my baby arrived. We also were connected with WOCAP where Leora, Penny and Jacki helped get me set up with rental assistance. Guiding Light had a 2 bedroom apartment available and I was able to move into it right before I delivered my baby on 2/7/18. I named him Tshombae which means "Warrior". I know he will be strong and courageous. I cannot thank all these people enough for pulling together to help me build my life. I have remained clean for the last couple of months, and have more to live for. I realize now how Big God is. I attend church with my Guiding Light family at Living Faith Temple which has helped me to build my relationship with God as He continues to pour out blessings into my life. I am forever grateful for being able to get out of desperation and onto a road of recovery and hope.

Thank you ALL,  
Juanita

## Guiding Light LOVING-KINDNESS

“Behold, I stand at the door, and knock: If any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me.” Revelations 3:20

We are currently in need of a Full Time Housemother at one of our transitional homes. This person is responsible for supervising day-to-day requirements of the home. Please pray with us to have this need filled.

For more information contact: Julianne Frankhouser (419)-236-7935 [lguidinglight@gmail.com](mailto:lguidinglight@gmail.com)

We also need a MINIVAN for transportation. Our oldest model is a 1992. We need an upgrade and we are believing for another one to meet our needs.

We recently held an “Encountering God Conference” learning skills of how to handle people needing Inner Healing. We partner with Harvest Home in Holden, Missouri. Please view their website for information about the farm and Conference details.
